credit card confirmation

Lala's is relatively a small restaurant with limited availability for large group reservations. In making a reservation for a group of eight or more, we would like to know that you are as committed as we are. Therefore it is our policy that parties submit a credit card number and signature to hold the reservation.

If the reservation is cancelled or the number of patrons in the party diminishes and more than 24 hour notice is given to us then no fee will be charged.

Should the party not show, the credit card will be charged \$ 5.00 dollars per person.

Thank you for your understanding and cooperation. We look forward to seeing you.
